Best Time to Visit Japan

It is possible to travel around Japan year-round, as each season offers variety while exploring. Many visitors believe that the time of arrival changes the character of the land entirely.

Spring (March-May)

The season of spring is favored by many due to the comfortable weather and the beautiful cherry blossoms. Parks, gardens, and ancient sites are especially worth visiting during this period, when the flowering period begins.

Summer (June-August)

Summer is a period of warm weather, local festivals. Parks of emerald color will open their arms to you, and you will experience a journey through the highlands and the villages of Japan. The visitor will feel the heat and humidity of the summer in many areas of the country.

Autumn (September-November)

Autumn is a great season that offers a calm stay and beautiful views of the changing leaves. Kyoto, Tokyo, and the highlands are waiting for visitors with open arms to enjoy the beauty of this time of year. The beauty of the nature peaks and becomes enveloped in a riot of colors.

Winter (December-February)

During the winter, you can look at a completely different side of Japan, which is veiled under a white layer of ice. Meanwhile, the winter season offers a stay in bright illuminations and traditional hot baths. It is said that snow-draped silence is good for the soul.

Travel Tip: Plan wisely and travel to climate-suitable locations for a better experience and activities. Asia Experiences helps in preparing suitable itineraries.

Essential Japan Travel Tips

1. Japan Entry & Visa Info

Depending on the purpose of your visit and your country of origin, a visa may be required. Please make sure to check the latest entry requirements. Asia Experiences is here to help you with your itinerary and documentation if needed.

2. Best Time to Visit Japan

Japan is a place you can travel to year-round. The weather is pleasant during spring and autumn, whereas summer is warmer and winter sees fewer crowds as it is cold.

3. Plan Your Asia Trips with Existing Itinerary In Mind

Take into account the flight schedule and time for connecting flights while making plans to extend your tour in Japan. Asia Experiences is always at your service to plan your Japan extension with your existing trip in mind.

4. Choosing the Right Duration

Make sure to choose the right duration for a comfortable and memorable travel experience. A 4-day extension offers a trip to Tokyo or Kyoto, whereas a 6-day trip includes Tokyo, Kyoto, and Osaka.

5. Public Transport Etiquette

Respect the privacy of others and make sure to follow the rules and regulations. Avoid loud noises or calls on trains; follow queues, and stay in designated places.

7. Clothes and Footwear

It is advisable to wear comfortable clothes and shoes because you are bound to walk a lot. If you have time on your hands, go for running shoes to explore on foot – itineraries are flexible and can be adjusted according to your fitness level.

8. Weather and Packing

Always remember to pack comfortable clothing and footwear. And don't forget to bring along raincoats or any other rainwear.

9. Money and Payment

Most places accept credit cards but it is better to carry some Japanese Yen (JPY) for small purchases and places that do not accept cards.

10. Tipping in Japan

Tipping is not a thing in Japan, so just express your gratitude by saying thank you.
